Operators

Wastewater Treatment

Environmental firm has an immediate openings for Full-Time and Part-Time Wastewater Treatment Operators for wastewater systems in Cecil County MD area.

Person must be experienced in treatment processes, solids handling, and distribution and collection systems. Duties include the hands-on operations, maintenance, daily testing, general housekeeping of buildings and equipment with limited supervision. Person would be required to perform mechanical, some electrical and computer tasks.

MD or PA or DE Wastewater license preferred, but hands-on experience a plus and will be considered. Valid driver's license required.

Firm offers a competitive compensation package including medical, life, Std, Ltd, plus 401(k) plan with profit sharing.
