Operators

Water / Wastewater Treatment

Environmental firm has an immediate opening for full-time Water and Wastewater Treatment Operators for water and wastewater systems in Cecil County MD area.

Person must be experienced in treatment processes, solids handling, and distribution and collection systems. Duties include the hands-on operations, maintenance, daily testing, general housekeeping of buildings and equipment with limited supervision. Person would be required to perform mechanical, some electrical and computer tasks.

MD license for Water and/or Wastewater certification preferred, but hands-on experience a plus and will be considered. Valid driver's license required.

Firm offers a competitive compensation package including medical, life, Std, Ltd, plus 401(k) plan with profit sharing.
