Plant Operations

Wastewater / Water Treatment

Environmental firm has immediate openings for full-time and part-time Wastewater/Water treatment professionals for wastewater and water systems in Berks Co and Schuylkill Co, PA areas.

Person must be experienced in treatment processes, solids handling, and distribution and collection systems. Duties include the hands-on operations, maintenance, daily testing, general housekeeping of buildings and equipment. Person must have demonstrated process control and daily operations with limited supervision. Person would be required to perform mechanical, some electrical and computer tasks.

PA Wastewater and/or Water licenses preferred, but hands-on experience a plus and will be considered. Valid driver's license required.

Firm offers a competitive compensation package including medical, life, Std, Ltd, plus 401(k) plan with profit sharing.
