Plant Operators

Water / Wastewater Treatment

Local firm has immediate openings for part-time and full-time Water and Wastewater Treatment Operators for water systems in Berks Co and Lehigh Co, PA areas.

Duties include the operation and maintenance of water and/or wastewater treatment systems and compliance with all regulations. Daily testing of parameters, maintaining equipment, general housekeeping of buildings and equipment.

Experience preferred, PA Water certification and/or Wastewater certification a plus. Valid driver's license required.

Person must be experienced in multiple water and/or wastewater treatment processes, solids handling, and distribution and collection systems. Person must have demonstrated process control and daily operations experience with limited supervision. Will be involved with hands-on operation and maintenance of the water distribution systems and sewer collection systems. Person would be required to perform mechanical, electrical and computer tasks.

Firm offers a competitive compensation package including medical, life, Std, Ltd, plus 401(k) plan with profit sharing.
